Protocol status: Working

We use this protocol and it's working

Created: May 04, 2020

Last Modified: June 02, 2020

Collection Integer ID: 36592

Keywords: pH, Henderson-Hasselback, Biochemistry, Molecular Biology,

Abstract

This collection contains all buffer protocols from Universidade Federal de Viçosa for use in Biological Systems.

Materials

See individual protocols for specific materials used during execution of each protocol.

Safety warnings

 See individual protocols for specific safety warnings.
